Character Impersonation

Profile

Enthusiastic, competent, and energetic Au Pair with a level head and proven record of providing exemplary childcare assistance to families. Well-groomed and eloquent with a diplomatic demeanor. Specialized competencies include tutoring mathematics and science subjects for Elementary School children. A registered play therapist with a Bachelor's Degree in Early Childhood Development. Fluent in English, French, and German. Transported children daily with a 100% clean driving record.

Employment History

Live In Au Pair, Smith Family

Jan 2019 – Present 📍 Kansas City

Received three letters of recommendation from the family, physician, and psychologist during the period caring for an autistic boy aged 11 and making a valuable contribution to his social skills by taking him to volunteer at an animal shelter once a week.

- Responsible for taking care of 6-year old twin girls
- Prepare breakfast in the morning and pack lunch boxes with nutritious foods
- Drop the twins off at school in the mornings and fetch them in the afternoons
- Drive children to ballet class twice a week and violin lessons once a week
- Provide them with a mid-afternoon snack before they start their homework
- Assist with homework activities where needed
- Take them to play dates during weekends
- Occasionally drive the children to doctor's appointments when neither one of the parents are available
- Ensure that children are fed and bathed by 7 pm in the evenings

Teacher Au Pair, Bernard Family

Jan 2017 – Dec 2018 📍 Miami

Assisted a ten-year-old girl by improving her overall academic performance by 45% after realizing that she has dyslexia and bringing that the parent's attention which in turn got her the professional help she needed.

- Help to promote the academic, social and mental development of two children of ages 5 and 7
- Provide after school tutoring in mathematics and science at the school premises
- Take the children home after tutoring lessons are done
- Engaged in play therapy sessions with time twice per week, and supervising free playtimes
- Oversee homework assignments and class projects
- Teach the children basic Spanish and French
- Prepare the evening meal for the family
- Ensure that the children bathe themselves and clean up their rooms before dinner
- Read stories to the children before bedtime
