01 PROFILE

Highly competent Product Manager with eight years of experience in Agile product development for e-commerce platforms in the ICT technology space. Co-led product development for a commercialization strategy of green fitness products and supplements for the Africa Market. Tasked with the responsibility to re-design UX and UI for multiple social media platform landing pages and online shopping functionalities. Holds a Masters Degree in Computer Sciences with a double major in Digital Marketing.

02 EMPLOYMENT HISTORY

07/2019 — 07/2020

E-Commerce Product Manager at Takealot

Macclesfield

Increased customer acquisition by 54% by implementing a new E-commerce listing creation process to streamline subscriptions

- Manage project, program and product teams
- Integrate software development, testing, and technology design with e-commerce business requirements
- Translate customer needs into product features, pricing models and UI design
- Analyze market and customer engagement statistics on pilot projects to determine viability for mass launching
- Define product requirements and specifications to deliver successful user experiences
- Apply data and back-end customer engagement metrics to motivate assumptions and assertions of business value
- Conceptualize, facilitate and manage multiple projects at a time
- Build systems to spearhead critical decisions of global e-commerce strategies

01/2017 — 05/2019

Senior Product Manager at Amazon

Buffalo Grove

Reclaimed \$86K in revenue by restructuring sales territories according to product lines instead of locations

- Reverse engineer product tweaks by working backward from customer feedback data
- Focus on friction-free, easy to use product platforms to solve customer issues and enhance the online shopping experience
- Contribute feedback suggestions and potential solutions throughout each phase of the product life cycle from conceptualization through to launching stages

- Act as the end-to-end owner of five product channels
- Manage product business cases to identify product value propositions, define unique customer experience specifications and craft marketing plans to enhance customer adoption levels
- Formulate insights and design innovative action plans to leverage new ideas regarding product designs and improvements to existing product offerings

01/2014 — 07/2016

Junior Product Manager at Wish

Mannheim

Increased average order value by 30% year on year by creating a mobile app for online shopping

- Collect system and business requirements from external and internal customers and drive project schedules accordingly
- Lead and coordinate product launches and feedback surveys
- Accountable for making appropriate trade-offs between product features and time-to-launch deadlines
