Profile

Ambitious Management Trainee has over 15 months of professional experience in brand management and retail marketing in a B2C environment. Proven proficiency in e-commerce, e-tailing, and e-marketing improvement strategies, which ensued in an offer to co-lead accountability on 15 projects during the last eight months.

Employment History

Management Assistant, Pepsi

Jan 2019 – Jan 2021 Washington

Offering support and solutions to managers and directors regarding their business needs and requirements for the operation of a business or a business unit's daily operations.

- Collecting and compiling data, conducting research, preparing reports, and coordinating all management projects.
- Supporting the preparation of certain documents along with management reports in the data information collection area.
- Compiling all findings, utilizing spreadsheets, database software, and graphics for a simple evaluation, assisting in different administrative projects.
- Utilize the office systems used in business facilities for message collection, storage of client information, or agenda scheduling.
- Responsible for the administration of systems such as vendor management, customer relationship management, storage, and voicemail systems.

Management Assistant, LinkedIn

Jan 2018 – Dec 2019 Orlando

Starting a positive, long-term relationship among organizations and interested third parties like the distributors, suppliers, shareholders, and other stakeholders, informing them of the organization and its objectives.

- Planning and executing store events like new associates' orientation, communications meetings, and recruiting efforts such as job fairs.
- Coordinating many hiring process phases, including scheduling interviews, administering testing, ad placements, submitting and maintaining needed pre-hire information.
- Utilize diverse types of communication channels like handwritten, verbal, digital, and telephonic, aiming to construct and share information and ideas.
- Take on administrative duties such as typing up reports, filing, and maintaining mail correspondences.
