Profile

Passionate, Cornell University Certified Sales Manager, seeking an Amazon Area Manager position with Capital Hearth. Past management experience includes leading the customer outreach team at Hubert Shoe and on-boarding four employees at Trent Landscaping. As volunteer recruiter for local Habitat for Humanity chapter, increased recruitment 34%.

Employment History

Area Manager , Amazon, Menlo Park

January 2018 — July 2021

Responsible for the management of up to 350 permanent and seasonal employees during high volume peak times to routinely maximize productivity, safety, and quality goals in multiple departments.

- Leader and participant in several Kaizen events that resulted in a reduction in safety incidents and savings of up to \$362,000 a year in both unload and pick operations.
- Developed a quality auditing program that decreased customer returns defects by 38%
- Launched customer returns and outbound operations (Pick, Pack, Ship) in a new fulfillment center. Participated in systems testing, process development, 5S employment, and associate training.
- Trained and mentored 21 team members into leadership positions.
- Developed and delivered several leadership developmental courses to all levels of management.

Amazon Area Manager , Amazon Distribution Head Quarters, New Port Richey

January 2012 — November 2017

Managed the performance of team members, including coaching, recognition, disciplinary action, and performance evaluations.

- Conducted both individual and group meetings with area team members regularly to establish goals, review performance, and provide organized communications.
- Partnered with the Regional Manager to provide vision and leadership that resulted in exceptional performance of the area's team members and businesses.
- Developed and managed strategies to achieve goals.

- Conducted monthly store audits and utilized audits in performance management.
- Recruited, developed, and retained a high-performing, empowered team.
- Managed the unit's Operating and Capital budget.
